

TECHNOLOGY THAT MEETS YOUR NEEDS

Innovation is at the forefront of our complete solutions.

There's the Triple Core technology that ensures clean and healthy tap water. The SilkMove that provides easy and precise control. The DreamSpray that balances comfort and water delivery always and in all ways. The TurboStat that guarantees 100% water temperature safety. And even powerful flushing systems that help maintain your bathrooms without the hassle.

With GROHE, you can cohesively create your own bathroom to be as smart as you need them to be.

INNOVATIONS PRIORITIZING SUSTAINABILITY

As a leader of sustainability, we embrace responsible practices and innovations in bringing you end-to-end solutions to your bathrooms. Like the cradle-to-cradle certified products, with components that are reusable once the product reaches the end of its life, or features that provide efficient water management to users with up to 50% savings on consumption.

With the complete bathroom solutions from GROHE, you can create your bathrooms in harmony, without compromising on performance and sustainability.

QUALITY YOU CAN TRUST

Our ranges of fixtures and fittings from the EuroSmart fitting, New Tempesta shower, Grotherm thermostat, and BAU collections stand for our German legacy of outstanding quality.

Proven and tested for over 87 years, GROHE inspires you to create your own bathroom in harmony with a complete solution you can count on from start to finish.

Harmoniously create the bathroom of your dreams **with an ensemble of coordinated solutions from GROHE.**
