**GROHE**

# SIMPLICITY EVOLVED BASICS REINVENTED

**GROHE** EURO CERAMIC 2.0

PART OF **LIXIL**

Step into a thoughtfully curated world where your dream bathroom takes center stage. As bathroom needs evolve, we turn to the fundamentals and refine the basics. GROHE Euro Ceramic 2.0 goes beyond simplicity, seamlessly merging design and cutting-edge technologies to deliver superior quality in bathroom spaces. The coordinated design of this collection complements a complete bathroom solution, effortlessly integrating sanitary fittings and fixtures into a cohesive and holistic space.

Expect nothing short of the finest quality in our ceramic ware, a product of LIXIL's century-long manufacturing expertise. Guided by GROHE brand pillars of quality and design, it sets us apart to deliver the best in class. Enter a space where perfect harmony of form, function, style, and substance awaits.

# FORM AND FUNCTION REINVENTED

Within this collection, you will discover a suite of features prioritizing user-centric design and elements. From the appeal of inviting ergonomic curves to smoothly transitioning surfaces enabling easy cleansing, every detail is thoughtfully considered. User-benefiting technologies such as Power Flush and HyperClean also ensure the utmost hygiene standards in your toilet. You can count on the finest quality in LIXIL’s manufacturing expertise, guided by GROHE brand pillars of quality and design to deliver the best in class.

## 01 USER-CENTRIC DESIGN

With soft surface transitions for effortless cleaning and inviting ergonomic curves that conform to the natural contours of the human body, these ceramics redefine comfort and functionality, while the innovative thin edges create the illusion of lightweight products, maximizing space and providing users with an enhanced sense of spaciousness for their daily rituals.

**Soft Surface Transitions**  
for easy-to-clean

**Inviting Ergonomic Curves**  
fit for organic shape of human body

**Perceived Lightness of Design**  
for space optimization

## 02 TECHNOLOGY FOR HYGIENE

Experience unrivaled bathroom cleanliness with GROHE innovative technologies. Our Rimless Technology ensures thorough flushing and cleaning, leaving no space for bacteria or dirt to hide. Power Flush creates a silent vortex of water to effectively clean the bowl without splashing, while conserving water. With HyperClean, enjoy peace of mind knowing that naturally anti-bacterial silver ions inhibit germs and prevent stains and odors, keeping your bathroom germ-free with minimal effort.

**POWER FLUSH**  
Strong, silent and sustainable flush

**HYPERCLEAN**  
Bacteria-resistant surface

**RIMLESS TECHNOLOGY**  
No chance for bacteria to hide

## 03 ENGINEERING EXCELLENCE AND QUALITY

The name GROHE stands for a long heritage of engineering excellence and design innovation. For the GROHE ceramics, this trusted heritage is enhanced by parent company LIXIL, bringing decades of technical expertise and experience in the world of sanitaryware and ceramic technology. These two powerful strands combine to offer customers a complete bathroom solution, where each element is perfectly integrated into a unified scheme.

# GROHE EURO CERAMIC 2.0

Incorporating GROHE signature elements such as the iconic lozenge and circle, Euro Ceramic 2.0 is perfectly coordinated with GROHE EuroSmart and EuroSmart Cosmo fittings, Tempesta showers and Essentials / Essentials Cube accessories, offering comprehensive bathroom solutions. These combinations flawlessly complement each other, ensuring a harmonious and stylish bathroom ensemble.
